ALIGNMENT WITH INSTITUTIONAL VISION, MISSION AND FORMATION GOALS:

Check the mission statement(s) satisfied by the nature of your activity.

☒ The University shall provide a learning environment in order for its students to acquire the attributes that will make them globally competitive.

☒ The Institute shall engage in economically viable research, development, and innovation.

☒ The Institute shall provide state-of-the-art solutions to problems of industries and communities.

Enumerate and briefly explain the applicable Mapua Core Values honed or formed by reason of your activity:
(Discipline, Excellence, Commitment, Integrity and Relevance)

This activity reflects the organization's Commitment by dedicating structured time and resources toward the smooth integration of newly-registered members, rather than leaving onboarding informal. It also demonstrates Relevance by tying membership onboarding directly to real, industry-relevant cloud computing competencies, ensuring the community-building effort stays grounded in the organization's technical mission.?

If and when applicable, enumerate the Program Educational Objectives (PEO) or Program Objectives (PO) Satisfied in this Activity

This activity supports the development of students who can work effectively within collaborative, multidisciplinary teams, as demonstrated through the event's structured team-building exercises and peer-reliance challenges. It also reinforces students' ability to function both independently and as part of a team, reflected in the shift from passive orientation to active, team-based participation throughout the program.

IN-CHARGE / ORGANIZERS OF ACTIVITY:

We, the undersigned students/faculty members/organizer/adviser of Mapua University, shall hold ourselves jointly and severally responsible for any injury to persons arising from the activity that we applied for, and we shall supervise the activity and comply with school policies e.g. no alcoholic beverages and other unlawful activities during the activity.
